### 5 Signs That You Might Be An English Teacher

Teaching Grammar and English is not an easy job. It's a job that requires a lot of patience and a lot of love. If you are an English teacher, you will know that your students are not just learning the rules of the language, but they are also learning how to use it. You will know that your students are not just learning the rules of the language, but they are also learning how to use it. You will know that your students are not just learning the rules of the language, but they are also learning how to use it.

The influence of a good teacher can never be ERASED
